

Apache Floor Model

No Assembly Required

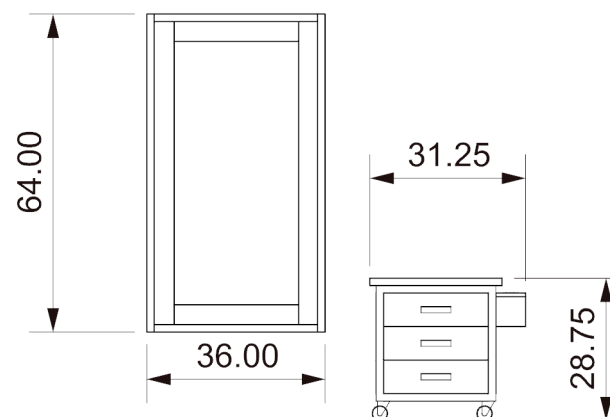

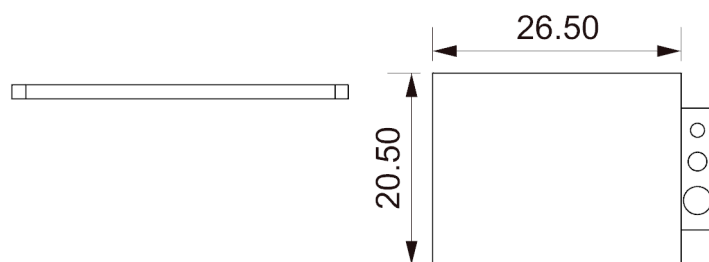

PARTS LIST

Part	Qty.		Description
A	1		Framed Mirror
B	1		Cabinet and Slab

Warning

A very important thing to note and remember is that the CONCRETE SLAB IS NOT ATTACHED TO THE CABINET. This means that until the posts and crossbars are connected, the slab is not secured and WILL SLIDE OFF. The station should always remain upright on the wheels. This is by design so stress is not put on the concrete during any shipping processes.

Assembly Details:

If there is any confusion please contact Minerva's customer service department at: 888-332-0123 and we will be happy to answer any questions.

The screws and are all half inch hex.

You will need a ratchet with a 7/16 socket or simply an adjustable wrench to tighten all of these.

We thank you for your business and hope that this truly unique work of art will meet all of your expectations!
