

Assembly Instructions

**Solitude 4ft.
Reception Desk
Model #3084**

COMPONENTS LIST*

Label	Item Name	Qty.
A	Front Piece	1
B	Side Piece	2

PARTS LIST:

Pre-assembly

- 1) - Please read all instructions carefully before assembling this desk
- Keep these instructions for future use.
- 2) - For your safety and ease of assembly, the help of two or more adults is strongly recommend
- 3) - Check inside all boxes, cabinets, and drawers for boxes and bags of parts before begining assembly.
- 4) - Place on carpeted or scratch-free work surface to avoid damaging parts during assembly.
- 5) - To avoid accidently discarding small parts or hardware, do not dispose any pakaging or contents of the shipping carton until assembly is complete.
- 6) - Use the component and parts list above to identify and seperate all of the pieces included.
- 7) - The use of powertools to aid in assembly is not recommended. Power tools can damage hardware and split wood.

STEP ONE

Attach side pieces (B) by lining up to front piece (A) and opening the cable management access plates to secure the pieces together inside with bolts + washer sets (set of 4 on each side).

STEP TWO

Remove sides of drawer by extending the drawer guides and removing the innermost piece by pushing and holding the **tab** and sliding the piece out (some tabs need to be pushed \uparrow up and some \downarrow down.)

STEP THREE

Flip desk top upside down and secure sides of drawer to the underside of the desk top using cam locks.

HOW TO USE CAM LOCKS

	1) Screw the cam lock screw into the underside of the desk top.
	2) Slide drawer side over cam lock screw.
	3) Slide cam lock over head of screw, then turn to tighten.

STEP FOUR

Slide desk top into place and use bolts on each side (4 total) to secure into place.

STEP FIVE

Re-insert drawer into drawer glides.
