

Nagano Retail Display Assembly Guide

Sku# 3823

*COMPONENTS LIST

A		Back plate x1
B		Side panels x2
C		Glass shelves x5

*PARTS LIST

D		Hex bolts x8
E		Screws x40
F		Brackets x20

*TOOLS

Hex-key wrench is needed for attaching sides and a phillips head screwdriver may be required for glass shelves.

1 PRE-ASSEMBLY

Remove and unwrap all pieces from shipping box. Make sure that the box(es) contain all of the listed parts before beginning assembly.

1 ASSEMBLY

Attach the back plate to the side panels using seven hex bolts on each side. Use hex-key wrench to tighten and secure.

2 ATTACH BRACKETS

Attach brackets to each side panel.

3 SLIDE IN SHELVES

Slide glass shelves into brackets.

5 SECURE SHELVES

Secure glass shelves by tightening screws into brackets as shown.

6 ASSEMBLY COMPLETE

Enjoy your new retail display!

If you have any questions or problems during assembly please call our customer service at 1.888.332.0123

Thanks for choosing Minerva!
