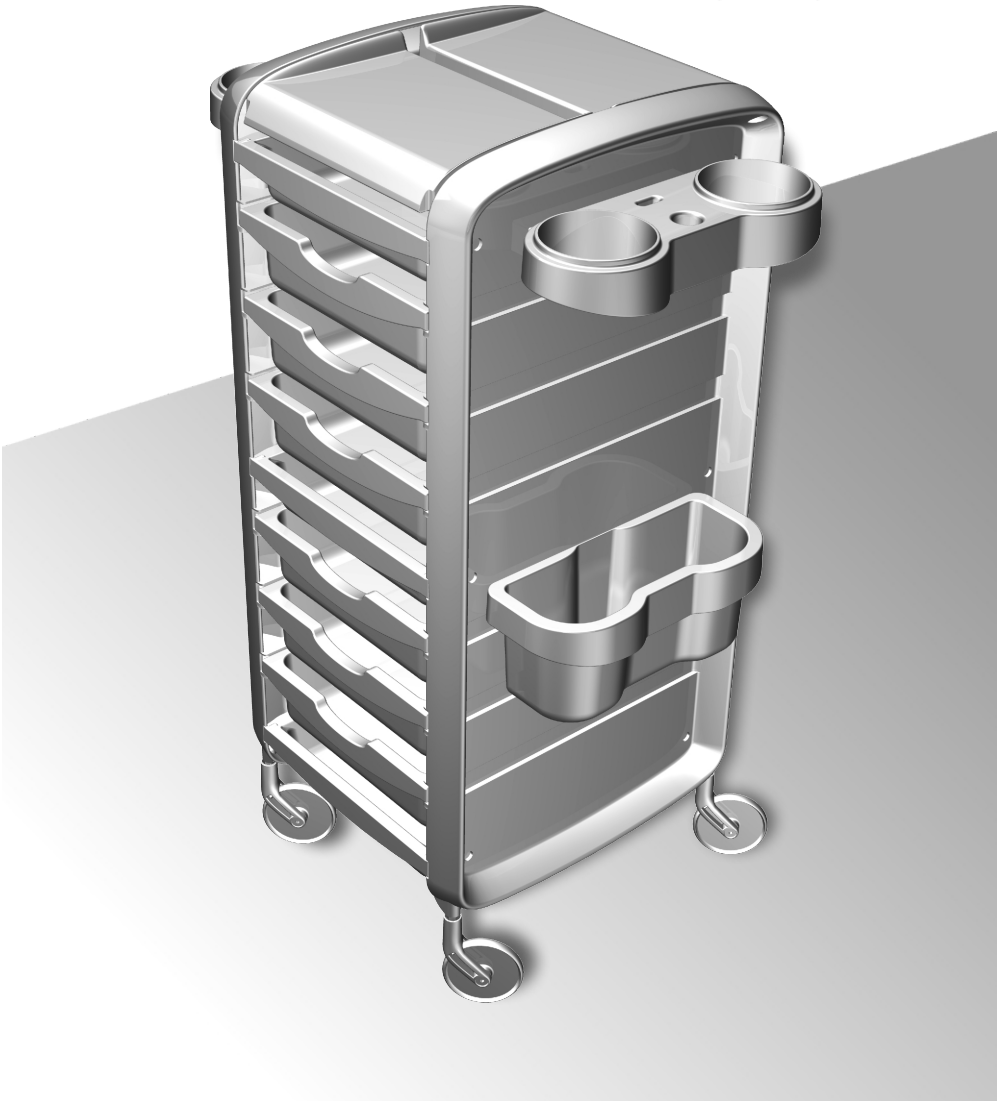
MINERVA



Split top with rotating opening

Top sdoppiato con apertura a rotazione.

Removable high wheels

Ruote alte smontabili.

Three fixed trays for objects

Tre vassoi fissi porta-oggetti

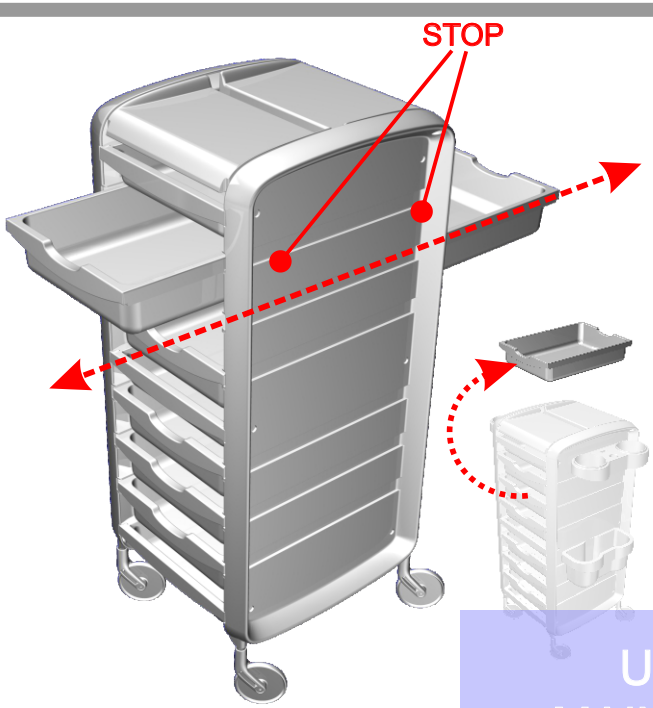
2 supports for hairdryer, plates and accessories
2 bottles holder

2 supporti per phon, piastre e accessori
2 porta bottiglie

6 large removable drawers

6 capienti cassetti estraibili

COMPONENTS



Extraction of drawers in both verses with internal stops to prevent release of them during the movement

Estrazione dei cassetti in entrambi i versi con fermo interno per evitare eventuali fuoriuscite degli stessi durante gli spostamenti.

USE AND MAINTENANCE

The thinner wheels make reduced contact with the floor and collect less hair, remaining always clean and efficent.
The fork too, with its shape, has been designed to prevent hair from wrapping around the spindle. It's anyway possible to clean it more thoroughly by removing the wheel as indicated in the sequence.

Lo spessore ridotto della ruota riduce notevolmente la superfice di contatto con il pavimento, rendendo minima la raccolta di eventuali capelli e lasciando la ruota sempre pulita ed efficente.
Anche la forcella, con la sua conformazione, è stata disegnata per evitare che i capelli si raccolgano attorno al perno.
È possibile comunque effettuare una pulizia più approffondita smontando la ruota nella sequenza indicata con semplici operazioni.
