before beginning assembly.

Tools required:
No tools required

① ! ALWAYS KEEP HYDRAULIC BASE UPRIGHT. THE HYDRAULIC
SHOULD NOT BE STORED OR TURNED UPSIDE-DOWN !

- 1) Remove mostly assembled chair from box.
- 2) Insert headrest into the top of the chair.

② Enjoy your new chair.

Remember to always keep the hydraulic upright. Also be sure not to stand
solely on the footrest.

It is good to pump the hydraulic to full height and back down several times
right after assembly to prime the hydraulic fluid. This will keep the pump
smooth and responsive.

Note that short quick pumping is more effective than pressing the lever all the
way down each time.

If you have any questions or problems during assembly please call our
customer service at 1.888.332.0123

Thanks for choosing Minerva!
