

Assembly Instructions

**Kiro Salon
Technician Stool**

Model #MT-3904

PRE-ASSEMBLY

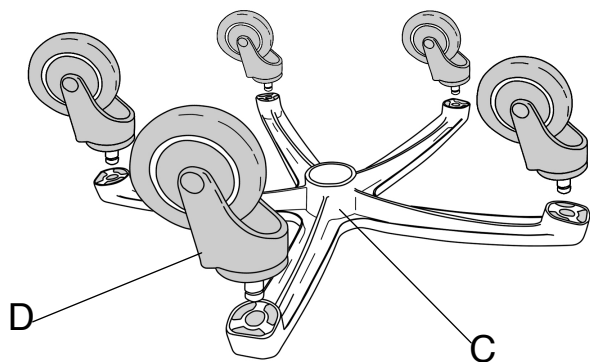

*Before beginning assembly, open all boxes to ensure all listed parts are present.

PARTS LIST*

Part	Item Name	Qty.
A	Seat	1
B	Air pneumatic pump	1
C	Base	1
D	Wheels	5

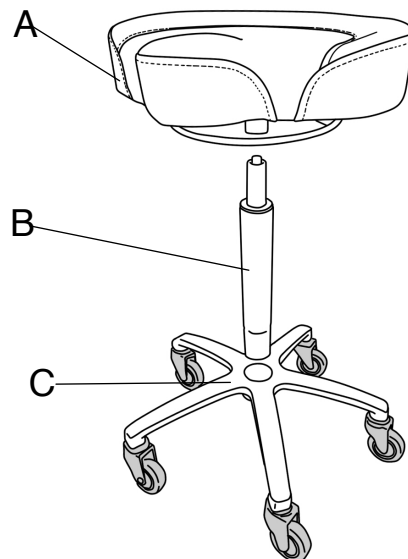

1 ATTACH WHEELS

1) Flip stool base (C) upside down on a clean piece of cardboard or towel so that holes for wheels are exposed. Insert wheels (D) into the base by pressing them until you hear a "click" sound. Repeat for each wheel.

2 ATTACH SEAT & BASE

- 1) Insert air pneumatic pump (B) into the base (C) firmly.
- 2) Attach seat (A) to the top of the air pneumatic pump (B). Line up seat back with the top of the air pneumatic pump (B).
- 3) Press down firmly on entire stool to ensure everything is connected properly.

3 ASSEMBLY COMPLETE

Thanks for choosing Minerva!

If you have any questions or problems during assembly please call our customer service at 1.888.332.0123

Enjoy your new Kiro Stool!
