B	1	Arm B
C	1	Tray top
D	1	Bracket
E	2	Bolt + lock washer
F	1	Bolt + washer + nut
G	2	Knob

Assembly instructions:

1

Simply attach the bracket to the piston of the chair located at the bottom of the seat. Make sure the bracket is attached to the highest point of the piston and pointing backwards.

2

Connect Arm A to the bracket using the bolt provided, making sure it's tightly snug. Then connect Arm B to arm A and tighten the knob. Finally, attach the tray to Arm B by tightening the butterfly screw.

3

Attach the optional Extension Arm between Arm B and the tray to increase the height of the Bosscaddi by upto 8 Inches.

4

Enjoy your new chair tray
